For the Hard Days

*When I don't have
the words, God still
hears my heart.*

A Prayer

Lord, meet me right here.

*Calm what feels
overwhelming,
strengthen what feels weary,
and remind
me that I do not
have to carry today alone.*

*Help me rest in Your
presence and take the next
step with You.*

Amen.

A Pinky Promise for Today

*Today, I pinky promise
to take this journey
one day, one prayer,
and one promise
at a time.*

*I will look for
God's Light
and remember that
I do not
have to walk the hard
roads alone.*
